ANNEXURE-23

**INFORMATION AND INSTRUCTIONS FOR CONTRACTORS FOR
E-TENDERING FORMING PART OF NIT**

(Applicable for inviting tenders on two bid system)

The Executive Engineer (E), DED-101, CPWD, Gate No. 6, North Block, New Delhi (Phone No.: 011-23092312), email: deleepacd.cpwd@nic.in invites on behalf of the President of India online percentage rate e-tender in **two bid system** i.e. (i) Eligibility bid & (ii) Financial bid from Eligible CPWD enlisted Buildings & Roads category contractors in appropriate class, non-CPWD specialized firms and manufacturers / OEMs in two bid system for the following work :-

NIT No.	Name of Work & Location	Estimated Cost put to tender	Earnest Money	Period of completion	Last date & time of submission of Eligibility, EMD, financial bids & other documents	Time & date of opening of Eligibility bid	Time & date of opening of Financial bid
1	2	3	4	5	7	8	9
101/EE(E)/DED-101/2026-27	MOEI & fans in C/S Bldg. at South Block, New Delhi. (SH: Replacement of existing damaged fire pipe line and accessories and servicing of Fire Pump.)	Rs. 17,73,661/-	Rs. 35,473/-	01 Month	Upto 16:20 on 14.08.2026	At 16:30 on 14.08.2026	Date and time shall be intimated to agencies who qualify the eligibility bid Separately.

- Agencies who fulfil any one of the requirements given below as "A" or "B" shall be eligible to apply. Joint ventures / Consortium and Special Purpose Vehicles are not accepted.

A. For CPWD registered contractors: -

- CPWD registered contractor in appropriate class on the last date of receiving the tenders in Building category (Formerly Composite Category), are eligible to bid for this work.

B For non-CPWD specialized firms, manufacturers: -

- The non-CPWD specialized firms should have the experience of executing similar work **"Repair/Maintenance/SITC of Fire Fighting equipment work."** as mentioned below during the last 7 years*.
- The OEM should have the experience of executing similar work "Repair/Maintenance/SITC of Fire Fighting equipment work." as mentioned below during the last 7 years*.*

(* Should have satisfactorily completed the works as mentioned below during the last seven years ending last day of the month previous to the one in which tenders are invited.)

Three similar completed works each costing not less than Rs. 7.09 Lakhs

OR

Two similar completed works each costing not less than Rs. 10.64 Lakhs

OR

One similar completed work costing not less than Rs. 14.19 Lakhs.

Similar work shall mean "***Repair/Maintenance/SITC of Fire Fighting equipment work.***"

Note: The value of executed works shall be brought to current costing level by enhancing the actual value of work at simple interest rate of 7% per annum; calculated from the date of completion to previous day of last date of submission of bids.

- B2 The bidder should have at least average annual financial turnover of **Rs. 5.32 Lakhs** on construction works during the last three years ending 31 March 2024. (Scanned copy of Certificate from CA with Unique Document Identification Number (UDIN) to be uploaded). The value of annual turnover figures shall be brought to the current value by enhancing the actual turnover figure at simple rate of 7% per annum (on the format prescribed in form A).
- B3 Should not have incurred any loss (profit after tax should be positive) in more than two years during the last five years ending 31st March, 2024 (on the format prescribed in form A).
- B4 Banker's Certificate of the amount equal to **Rs. 7.09 Lakhs** or Net worth Certificate of minimum net worth of equal to **Rs. 1.77 Lakhs** issued by certified Chartered Accountant with UDIN (on the format prescribed in form B or B1).
- B5 Should have bidding capacity equal to or more than the estimated cost of the work put to tender. The bidding capacity shall be worked out by the following formula:

$$\text{Bidding Capacity} = \{[A \times N \times 1.5] - B\}$$

Where,

A = Maximum turnover in construction works executed in any one year during the last seven years taking into account the completed as well as works in progress. The value of completed works shall be brought to current costing level by enhancing at a simple rate of 7% per annum.

N = Number of years prescribed for completion of work for which bids have been invited.

B = Value of existing commitments and ongoing works to be completed during the period of completion of work for which bids have been invited.

(on the format prescribed in form C3).

(Bidding capacity calculation shall be applicable as per DG, CPWD OM No. DG/SOP-2024/20 dt.31.07.2025)

- 2. The intending bidder must read the terms and conditions of **CPWD-6** carefully. He should only submit his bid if he considers himself eligible and he is in possession of all the documents required.
- 3. Information and Instructions for bidders posted on website shall form part of bid document.

4. The bid documents consisting of plans, specifications, schedule of quantities of various types of items to be executed and the set of terms and conditions of the contract to be complied with and other necessary documents can be seen and downloaded from website <https://etender.cpwd.gov.in> free of cost.
5. The bid can only be submitted after deposition of original EMD either in the office of Executive Engineer inviting bids or division office of any Executive Engineer, CPWD within the period of bid submission and uploading the mandatory scanned documents such as **Banker's Cheque of a Commercial Bank / Account Payee Demand Draft of a Commercial Bank / Fixed Deposit Receipt (FDR) of a Commercial Bank / Insurance Surety Bonds / Bank Guarantee including e- Bank Guarantee (for balance amount as prescribed) from a Commercial Bank** towards EMD in favour of [Executive Engineer\(E\), DED-101, CPWD, North Block, New Delhi](#) as mentioned in NIT, receipt for deposition of original EMD to division office of any Executive Engineer (including NIT issuing EE/ AE), CPWD and other documents as specified.
6. Those contractors not registered on the website mentioned above, are required to get registered beforehand. The necessary training materials including the videos with step-to-step process are available on download section of <https://etender.cpwd.gov.in>.
7. The intending bidder must have valid class-III digital signature certificate with encryption key (Combo type) to perform any operations / transactions on the e-tendering portal/ website and the bidder should download and install the eMSigner on their system as per instruction available on download section of <https://etender.cpwd.gov.in>.
8. **On opening date, the contractor can login and see the bid opening process after opening of bids he will receive the competitor bid sheets.**
9. Contractor can upload documents in the form of JPG format and PDF format.
10. Certificate of Financial Turn Over: At the time of submission of bid contractor may upload Affidavit/ Certificate from CA mentioning Financial Turnover of last 5 years or for the period as specified in the bid document and further details if required may be asked from the contractor after opening of eligibility bids. There is no need to upload entire voluminous balance sheet.
11. Contractor must ensure to quote rate at specified point in Schedule of quantity. The column meant for quoting rate in figures appears in yellow color and the moment rate is entered, it turns sky blue.

In addition to this, while selecting any of the cells a warning appears that if any cell is left blank the same shall be treated as "0". Therefore, if any cell is left blank and no rate is quoted by the bidder, rate of such item shall be treated as "0" (ZERO).

However, if a tenderer quotes nil rates against each item in item rate tender or does not quote any percentage above / below on the total amount of the tender or any section / sub head in percentage rate tender, the tender shall be treated as invalid and will not be considered as lowest tenderer.
12. The eligibility bid shall be opened first on due date and time as mentioned above. The time and date of opening of financial bid of contractors qualifying the eligibility bid shall be communicated to them at a later date.
13. The department reserves the right to reject any prospective application without assigning any reason and to restrict the list of qualified contractors to any number deemed suitable by it, if too many bids are received satisfying the laid down criterion.

14. The contractors should furnish the complete details called for in the Eligibility document. The applications with incomplete or inadequate details (or) not as per the proforma prescribed in the bid document are liable to be rejected.

The applicants shall also refrain from giving unnecessary additional details, and bulky volumes of books which are not essential /not connected. The Details shall be filled in the appropriate forms and annexure only.

15. If private works are shown in support of eligibility, the tax deducted at source (TDS) shall be submitted along with the experience certificate and BOQ showing quantity & amount of work related to similar work definition and the TDS amount should be commensurate with the actual amount of work done.
16. If it is desired to submit revised financial bid then it shall be mandatory to submit revised financial bid. If not submitted then the bid submitted earlier shall become invalid.
17. It is mandatory to fill details / upload scanned copies of all the documents as stipulated in the bid document. If such document is not uploaded his bid will become invalid and processing fee if any shall not be refunded.
18. If the Contractor is found ineligible after opening of bids, his bid shall become invalid.
19. If any discrepancy is noticed between the documents as uploaded at the time of submission of bid and hard copies as submitted physically by the lowest Contractor, the bid shall become invalid.
20. If relative working in CPWD then the contractor is not allowed to participate in the tendering process.
The contractor (enlisted or non-enlisted in CPWD) shall not be allowed to participate in the tender for work(s) in the CPWD Zone / circle /Division /Sub-Division..... excepted from Clause 25 Ref. No. (DG/CON/Construction 2023/10 dated 03.06.2024.)
21. Pre-Bid conference shall be held on 12.08.2026 at 15.00 in the chamber of Executive Engineer (E), DED101, CPWD, North Block, New Delhi to clear the doubt of intending bidders, if any.

***To be filled by Executive Engineer**

**LIST OF DOCUMENTS
FOR NON-CPWD REG. SPECIALIZED AGENCIES/MANUFACTURERS/OEM**

Register, Site Order Book, Hindrance register, Attendance sheet of the staff deployed, proof of the payment to the staff, proof of the material procured i/c tax invoice, service report duly signed by JE/AE etc. and any other documents as asked by Engineer-In-Charge.

GENERAL CONDITIONS

1. All hardware items such as screws, thimbles, connectors, earth/neutral terminals, wires etc. which are essentially required for completing any item as per specifications will be deemed to have been included in the item even when the same have not been specifically mentioned.

2. All hardware material such as nuts/bolts/screws/washers etc. to be used in the work shall be zinc/cadmium plated iron. The galvanized boxes of modular switch/sockets etc. shall be of the same make as of switch/socket etc.
3. While laying conduit, suitable minimum number of junction boxes shall be left for pulling the wires. These shall be placed in such a way that the same do not remain noticeable.
4. Any conduit which is not be wired by the contractor shall be provided with GI fish wire for wiring by some other agency subsequently. Nothing extra shall be paid for the same.
5. Multi stranded FRLS PVC insulated copper conductor wires are to be used in the work. Termination of multi-stranded conductors shall be done using crimping type copper thimbles at both the ends. Nothing extra shall be paid for the same.
6. The contractor shall follow the shortest route for circuits, sub-main, point wiring etc.
7. The connections of switches, sensors, earthing conductors & interconnections cables shall be made by adequate rating thimbles of approved standard makes only and nothing extra on this account shall be paid.
8. Check nuts shall be provided while terminating the M.S. conduits in switch board boxes for which nothing extra shall be paid.
9. All distribution boards shall be marked with circuits controlling the rooms/area/SDB controlled
10. Material to be used in the work shall be ISI marked. The makes of materials have been indicated in the list of acceptable makes. No other make will be acceptable. The material to be used in the work shall be got approved from the Engineer-in-charge before its use at site. The Engineer-in-charge shall reserve the right to instruct the contractor to remove the material which, in his opinion, is not as per specifications
11. While deciding the size of switch boxes for light points/fan point, exhaust fan point items, extra two modules will be provided for each fan point for fixing of regulator(s) (fan regulator is to be provided under different item). Wherever extra modules are available, the same shall be provided with blanking plates without any extra cost.
12. Modular type switches/sockets/telephone outlets/TV sockets are to be provided wherever indicated in the items. The same shall be of only one make. The modular plates of switches, sockets, telephone & TV sockets etc. shall be in two parts i.e. plates with frames with in quoted rates.
13. The building shall be provided with false ceiling in various areas. In order to avoid maintenance problem, the contractor will not provide any ceiling rose/connector/looping box etc. above the false ceiling. The point wiring in that case will be extended up to the fitting/fan etc. directly without provisions of any termination arrangement in between. The wire from the end point up Page 368 to the fixture shall be considered to be included in the point wiring. Nothing extra shall be paid for the same.
14. Wherever it is not possible to provide rigid conduits, flexible conduit pipe shall be provided for drawing/running the wires. However, such arrangement has to be kept to the barest minimum and only with the prior approval of Engineer-in-charge.
15. Earthing and all hidden items of work shall be carried out in the presence of the Engineer-in-charge or his authorized representative.
16. The fan box cover shall be made from 3mm thick phenolic laminated sheet as per CPWD specification.
17. The contractor shall provide only metallic junction boxes/looping boxes with cover of required sizes even in PVC conduiting and such boxes shall be measured as a part of conduit/wiring without any extra payment.
18. The metallic junction boxes & looping boxes shall be covered with approved makes of phenolic laminated sheet. For telephone, television & fire alarm system shall be provided at all the floors within scope of work without any extra cost as per requirement & layout approved by Engineer-in-charge.
