Earnest Money	Rs. 1,17,273.00
Period of Completion	12 Months
Last time & date of submission of bid, other documents as specification Notice Inviting e-Tender.	13/08/2026 upto 15:00 Hrs.
Eligibility Bid Opening date	13/08/2026 upto 15:30 Hrs.
Submission of hard copies of EMD.	13/08/2026 upto 15:00 Hrs.
Hard copy of Enlistment order, Affidavit, Undertaking and other Documents to Division Office by the Lowest Tenderer.	To be submitted during office hours within a week from the date of opening of Financial Bid. In case the last day happens to be closed holiday, these documents shall be Submitted on the Next working day.

Bidders are advised that thoroughly read the eligibility requirements and terms and conditions before quote the rates.

1. Bidders who fulfil the following requirements shall be eligible to apply. Joint ventures are not accepted. 1(b), 1(c) & 1(d) are not applicable for CPWD enlisted contractors of appropriate class. 1 (a) & 1 (e) is applicable for CPWD enlisted contractors also].
 - a. Bidder should have satisfactorily completed the works as mentioned below during the last 7 years ending last day of the month previous to the one in which tenders are invited. (For this purpose, cost of work shall mean gross value of the completed work including cost of material supplied by the Government/Client but excluding those supplied free of cost.)

**Three similar works each costing not less than 15.63 Lacs,
OR
Two similar works each costing not less than 23.45 Lacs,
OR
One similar works each costing not less than 31.27 Lacs,**

Similar work shall mean ‘Maintenance of Fire Alarm System’

Note-1: The cost of the work should be certified by an Officer not below the rank of Executive Engineer/ Project Manager or equivalent.

Note-2: The value of executed works shall be brought to current costing level by enhancing the actual value of work at simple rate of 7% per annum; calculated from the date of completion to the last date of submission of bid. Qualified similar work may be physically inspected by CPWD to ascertain the completion, performance on quality of works for finalizing the Eligibility in Technical bid.

Note-3: To become eligible for issue of bid, the bidders shall have to furnish an **affidavit** as under: -

I/We undertake and confirm that eligible similar works(s) has/havenot been got executed through another contractor on back-to-back basis. Further that, if such a violation comes to the notice of Department, then I/we shall be debarred for bidding in CPWD in future forever. Also, if such a violation comes to the notice of Department before date of start of work, the Engineer-in-Charge shall be free to forfeit the entire amount of Performance Guarantee. **(Scanned copy to be uploaded at the time of submission of bid)**

Note-4: The eligible similar work should be within territory of India only.

b) Turnover: Average annual financial turnover should be at least Rs.17.59 lakh during the immediate last three consecutive financial years ending 31st March, 2024. Scanned copy of certificate from CA to be uploaded.

c) Profit/Loss: The bidder should not have incurred any loss (profit after tax should be positive) in more than two years during the immediate last five consecutive balance sheets duly audited and certified by the Chartered Accountant. (The balance sheet in case of pvt. /Public Ltd. Company means its standalone finance statement and consolidated financial statement both)

d) Bank Solvency certificate: Should have Bank Solvency certificate of amount Rs.23.45 lakh certified by his banker. (Scanned copy of original solvency to be uploaded).

OR

Net worth certificate: Networth certificate of amount Rs.5.86 lakh and issued by certified Chartered Accountant. (Scanned copy of original Networth certificate is to be uploaded).

e) Bidding Capacity: The bidder should have bidding capacity equal to or more than the estimated cost of the work put to tender. The bidding capacity shall be worked out by the following formula:

$$\text{Bidding Capacity} = \{[A \times N \times 1.5] - B\}$$

Where,

A = Maximum turnover in construction works executed in any one year during the last seven years taking into account the completed as well as works in progress. The value of completed works shall be brought to current costing level by enhancing at a simple rate of 7% per annum.

N = Number of years prescribed for completion of work for which bids have been invited.

B = Value of existing commitments and ongoing works to be completed during the period of completion of work for which bids have been invited.

2. The intending bidder must read the terms and conditions of CPWD-6 carefully. He should only submit his bid if he considers himself eligible and he is in possession of all the documents required.
3. This information and instructions for bidders posted on website shall form part of bid document.
4. The bid document consisting of Plans, Specifications, Schedule of quantities of various types of items to be executed and the set of terms and conditions of the contract to be complied with and other Necessary documents can be seen and downloaded from website <https://etender.cpwd.gov.in> or www.cpwd.gov.in free of cost.

5. But the bid can only be submitted after deposition of original EMD either in the office of Executive Engineer inviting bids or division office of any Executive Engineer, CPWD within the period of bid submission and uploading the mandatory scanned documents such as Insurance Surety Bonds, Account Payee Demand draft or Bankers Cheque or Fixed Deposit Receipts or/ and Bank Guarantee (for balance amount as prescribed) from any of the Commercial Bank towards EMD in favour of Executive Engineer as mentioned in NIT, receipt for deposition of original EMD to division office of any Executive Engineer (including NIT issuing EE/ AE), CPWD and other documents as specified.
6. Those contractors not registered or have not updated their profile on the website mentioned above, are required to get registered / update their profile beforehand. The necessary training materials including the videos with step-to-step process are available on download section of <https://etender.cpwd.gov.in>
7. The intending bidder must have valid class-III digital signature certificate with encryption key (combo type) to perform any operation/ transaction on the e tendering portal/web site and the bidder should download and install the e-Messenger on their system as per instructions available on download section of <https://etender.cpwd.gov.in>.
8. On opening date, the contractor can login and see the bid opening process. After opening of bids, he will receive the competitor bid sheets.
9. Contractor can upload documents in the form of JPG format and PDF format.
10. Certificate of Financial Turn over: At the time of submission of bid contractor may upload Affidavit/Certificate from CA mentioning Financial Turnover of last 7 years or for the period as specified in the bid document and further details if required may be asked from the contractor after opening of technical bids. There is no need to upload entire voluminous balance sheet.
11. Contractor must ensure to quote rate of each item. The column meant for quoting rate in figures appears in yellow colour and the moment rate is entered; it turns sky blue.

In addition to this, while selecting any of the cells a warning appears that if any cell is left blank the same shall be treated as “0”. Therefore, if any cell is left blank and no rate is quoted by the bidder, rate of such item shall be treated as “0” (Zero).

However, if a tenderer quotes nil rates against each item in item rate tender or does not quote any percentage above/below on the total amount of the tender or any section/sub head in percentage rate tender, the tender shall be treated as invalid and will not be considered as lowest tenderer.

12. The Technical Bid/ Eligibility bid shall be opened first on due date and time as mentioned above. The time and date of opening of financial bid of Bidders qualifying the Technical cum Eligibility Bid shall be uploaded on website only at later date.

The department reserves the right to reject any prospective application without assigning any reason and to restrict the list of qualified contractors to any number deemed suitable by it, if too many bids are received satisfying the laid down criterion.

The contractor submitting the bid should read the schedule of quantities, Special conditions, additional conditions, particular specifications and other terms and conditions given in the NIT and drawings. The bidder should also read the General Conditions of Contract Maintenance Works 2023 with all correction slips issued up to the last date for submission of bid, which is available as Government of India Publication. However, provisions included in the bid document shall prevail over the provisions contained in the standard form. The set of drawings and NIT will be available with the Executive Engineer (E), President Estate Electrical Division, CPWD, New

Delhi-110004. The contractor should also visit the site of work and acquaint himself with the site conditions before tendering. The following conditions, which already form part of the tender conditions, are specially brought to his notice for compliance while filling the tender. They are requested to comply with the following instructions.

Tenders with any condition including that of conditional rebates shall be rejected. Such tenders shall not be entered in the tender opening register at the time of opening of tender.

Applicants are advised to keep visiting the <https://etender.cpwd.gov.in> web-sites from time to time (till the deadline for bid submission) for any updates in respect of the tender documents, if any. Failure to do so shall not absolve the applicant of his liabilities to submit the applications complete in all respects including updates thereof, if any. An incomplete application may be liable for rejection.

If any information furnished by the applicant is found to be incorrect at a later stage, he shall be liable to be debarred from tendering/taking up of works in CPWD. The department reserves the right to verify the particulars furnished by the applicant independently.

Any dispute arising out of this tender including dispute related to encashment of any Bank Guarantee/ FDR etc. shall be subject to the jurisdiction of courts at New Delhi only.

13. The existing enlisted contractor either himself or his authorized representative shall take compulsory ERP (Enterprise Resource Planning) training through any of the CPWD Regional Training institutes (RTIs) at Delhi, Mumbai, Chennai and Kolkata, National CPWD Academy (NCA) Ghaziabad, Training arranged by Graduates of ERP "Train the Trainers Programme" conducted by NCA, Ghaziabad or through any other special training arranged by ERP unit of CPWD before 30.06.2024. Training will be valid only when participants are registered in LMS (Learning Management System) of ERP and certificate is issued through LMS of ERP. From 01.07.2024, the enlisted contractor will not be allowed to participate in tendering process without uploading the certificate of above training. In case of non-enlisted contractor being first lowest in any of the tender then either contractor himself or his authorized representative shall take compulsory ERP training through any of the CPWD Regional Training Institutes (RTIs) at Delhi, Mumbai, Chennai and Kolkata, National CPWD Academy (NCA) Ghaziabad, Training arranged by Graduates of ERP "Train the Trainers Programme" conducted by NCA, Ghaziabad or through any other special training arranged by ERP unit of CPWD within two months from the date of issue of intent letter. Training will be valid only when non enlisted contractor is registered in LMS of ERP and certificate is issued through LMS of ERP. Failure to do so, a recovery of Rs.10,000/- per week shall be made from the R/A bill without giving any show cause notice in this regard. (OM No. DG/Enlist.Rules-2023/ 10 dated 22.04.2024).

14. List of Documents to be scanned and uploaded within the period of bid submission:

(i)	Letter of Transmittal Duly signed as given in Annexure-III
(ii)	Copy of receipt for deposition of original EMD (as given in Annexure – I) issued from division office of any Executive Engineer, CPWD. (Including NIT issuing EE/AE, CPWD) deposited in the form of Insurance Surety Bonds, Account Payee Demand Draft, Fixed Deposit Receipt, Banker's Cheque or Bank Guarantee (For balance amount as prescribed) issued by a Commercial Bank against EMD (Bank Guarantee Format as given in Annexure-II).

Intending Bidders are advised to inspect and examine the site and its surroundings and satisfy themselves before submitting their bids, the form and nature of the site, the means of access to the site, the accommodation they may require and in General shall themselves obtain all Necessary information as to risks, contingencies and other circumstances which may influence or affect their bid. A bidder shall be deemed to have full knowledge of the site whether he inspects it or not and no extra charge consequent on any misunderstanding or otherwise shall be allowed. The bidder shall be responsible for arranging and maintaining at his own cost all materials, tools & plants, water, electricity access, facilities for workers and all other services required for executing the work unless otherwise specifically provided for in the contract documents. Submission of a bid by bidder implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the work to be done and of conditions and rates at which stores, tools and plant, etc. Will be issued to him by the Government and local conditions and other factors having a bearing on the execution of the work.

16. The competent authority on behalf of the President of India does not bind itself to accept the lowest or any other bid and reserves to itself the authority to reject any or all the bids received without the assignment of any reason. All bids in which any of the prescribed condition is not fulfilled or any condition including that of conditional rebate is put forth by the bidders shall be summarily rejected.
17. Canvassing whether directly or indirectly, in connection with bidders is strictly prohibited and the bids submitted by the contractors who resort to canvassing will be liable for rejection.
18. The competent authority on behalf of President of India reserves to himself the right of accepting the whole or any part of the bid and the bidders shall be bound to perform the same at the rate quoted.
19. The contractor shall not be permitted to bid for works in the CPWD Circle (Division in case of contractors of Horticulture/Nursery category) responsible for award and execution of contracts, in which his Near relative is posted a Divisional Accountant or as an officer in any capacity between the grades of Superintending Engineer and Junior Engineer (both inclusive). He shall also intimate the names of persons who are working with him in any capacity or are subsequently employed by him and who are Near relatives to any gazetted officer in the Central Public Works Department or in the Ministry of Urban Development. Any breach of this condition by the contractor would render him liable to be removed from the approved list of contractors of this Department.
20. No Engineer of Gazetted Rank or other Gazetted Officer employed in Engineering or administrative duties in an Engineering Department of the Government of India is allowed to work as a contractor for a period of one year after his retirement from Government service, without the prior permission of the Government of India in writing. This contract is liable to be cancelled if either the contractor or any of his employees is found any time to be such a person who had not obtained the permission of the Government of India as aforesaid before submission of the bid or engagement in the contractor's service.
21. The bid for the works shall remain open for acceptance for a period of seventy-five (75) days from the date of opening of the eligibility bid.
 - a) If any tenderer withdraws his tender or makes any modification in the terms & conditions of the tender which is not acceptable to the department within 7 days after last date of submission of bids, then the Government shall without prejudice to any other right or remedy, be at liberty to forfeit 50% of the earnest money absolutely irrespective of letter of acceptance for the work is issued or not.
 - b) If any tenderer withdraws his tender or makes any modification in the terms & conditions of the tender which is not acceptable to the department after expiry of 7 days after last date of submission of bids, then the Government shall without prejudice to any other right or remedy, be at liberty to forfeit 100% of the earnest money absolutely irrespective of letter of acceptance for the work is issued or not.
 - c) In case of forfeiture of earnest money as prescribed in para (i) and (ii) above, the bidders shall not be allowed to participate in the rebidding process of the same work.
22. **This notice inviting Bid shall form a part of the contract document. The successful bidders/contractor, on acceptance of his bid by the Accepting Authority shall within 12 Months from the stipulated date of start of the work, sign the contract consisting of: -**
 - a) **The Notice Inviting Bid, all the documents including additional conditions, specifications and drawings, if any, forming part of the bid as uploaded at the time of invitation of bid and the rates quoted online at the time of submission of bid and acceptance thereof together with any correspondence leading thereto.**
 - b) **Standard C.P.W.D. Form 7 or other Standard C.P.W.D. Form as applicable.**

Executive Engineer (E)
President Estate Electrical Division,
CPWD, New Delhi-110004.

Form of Bank Guarantee for EMD/Performance Guarantee / Security Deposit

Whereas the EE (E), President Estate Electrical Division, CPWD, New Delhi-110004 on behalf of the President of India (hereinafter called "The Government") has invited bids under NIT No.41/EE/E/PEED/2026-2027 for the work **"RMO Fire Alarm & Fire Fighting System at Rashtrapati Bhavan, New Delhi. (SH:- Operation & Comprehensive maintenance of Fire Alarm system & Fire Fighting System at different locations in Rashtrapati Bhavan)."**

The Government has further agreed to accept irrevocable Bank Guarantee for Rs. Valid upto (Date)*..... as Earnest Money Deposit from (Name and address of contractor)(hereinafter called "the contractor") for compliance of his obligations in accordance with the terms and conditions of the said NIT.

OR**

Whereas the EE(E), President Estate Electrical Division, CPWD, New Delhi-110004 on behalf of the President of India (hereinafter called "The Government") has entered into an agreement bearing number With..... (Name and address of the contractor).....(hereinafter called "the contractor") for execution of **"RMO Fire Alarm & Fire Fighting System at Rashtrapati Bhavan, New Delhi. (SH: - Operation & Comprehensive maintenance of Fire Alarm system & Fire Fighting System at different locations in Rashtrapati Bhavan)."**

The Government has further agreed to accept irrevocable Bank Guarantee for Rs..... (Rupees Only) valid upto..... (date) *..... As **Performance Guarantee / Security Deposit** from the said contractor for compliance of his obligations in accordance with the terms and conditions of the agreement.

1. We, (Indicate the name of the Bank)..... (Herein after referred to as "the Bank") hereby undertake to pay to the Government an amount not exceeding Rs.....(Rupees Only) on demand by the Government within 12 Months of the demand.
2. We,.....(indicate the name of the Bank), do here by undertake to pay the amount due and payable under this guarantee without any demur, merely on a demand from the Government stating that the amount claimed is required to meet the recoveries due or likely to be due from the said contractor. Any such demand made on the Bank shall be conclusive as regards the amount due and payable by the Bank under this Guarantee. However, our liability under this guarantee shall be restricted to an amount not exceeding Rs. (RupeesOnly).
3. We, (indicate the name of the Bank), further undertake to pay the Government any money so demanded notwithstanding any dispute of disputes raised by the contractor in any suit or proceeding pending before any Court or Tribunal, our liability under this Bank Guarantee being absolute and unequivocal. The payment so made by us under this Bank Guarantee shall be a valid discharge of our liability for payment there under and the Contractor shall have no claim against us for making such payment.

4. We,.....(indicate the name of the Bank), further agree that the Government shall have the fullest liberty without our consent and without affecting in any manner our obligation hereunder to vary any of the terms and conditions of the said agreement or to extend time of performance by the said contractor from time to time or to postpone for any time or from time to time any of the powers exercisable by the Government against the said contractor and to forbear or enforce any of the terms and conditions relating to the said agreement and we shall not be relieved from our liability by reason of any such variation or extension being granted to the said contractor or for any forbearance act of omission on the part of the Government or any indulgence by the Government to the said contractor or by any such matter or thing whatsoever which under the law relating to sureties would, but for this provision, have effect of so relieving us.
5. We, (indicate the name of the Bank), further agree that the Government as its option shall be entitled to enforce this Guarantee against the Bank as a Principal debtor at the first instance without proceeding against the contractor and notwithstanding any security or other guarantee the Government may have in relation to the Contractor's liabilities.
6. This guarantee will not be discharged due to the change in the constitution of the Bank or the Contractor.
7. We, (indicate the name of the Bank), undertake not to revoke this guarantee except with the consent of the Government in writing.
8. This Bank Guarantee shall be valid uptoUnless extended on demand by the Government. Notwithstanding anything mentioned above, our liability against this guarantee is restricted to Rs. (Rupees Only) and unless a claim in writing is lodged with us within the date of expiry or extended date of expiry of this guarantee, all our liabilities under this guarantee shall stand discharged.

SECTION-II

GENERAL CONDITIONS FOR SPECIALIZED ELIGIBLE AGENCIES

Name of Work: - “RMO Fire Alarm & Fire Fighting System at Rashtrapati Bhavan, New Delhi. (SH: - Operation & Comprehensive maintenance of Fire Alarm system & Fire Fighting System at different locations in Rashtrapati Bhavan).”

The tenderer should either himself meet the eligibility criteria for execution of specialized component of work or otherwise he will have to associate with agencies, fulfilling the eligibility requirements prescribed in the tender document.

1. The tenderer shall also be eligible to carry out himself any or all of the above specialized works without associating any specialized agency provided they fulfil the prescribed eligibility criteria for each of the above specialized work(s). In case the main contractor himself is not eligible (as per eligibility criteria) for executing any of the components of E&M work, **he can directly associate the OEM/ authorized service provider of the OEM or specialized agency as per criteria mentioned for associate eligible agency. (Joint ventures are not accepted), within 7 days of issue of letter of intent/Acceptance and also after taking prior approval from the Engineer-in-charge.**
2. The intending bidder shall upload an undertaking along with the bid that “I/We shall associate specialized agencies as per the above eligibility criteria **within 7 days** of issue of letter of intent/Acceptance otherwise department may take action against me/us as per clause-3 of the applicable GCC of the agreement & may forfeit performance guarantee absolutely and also shall fulfil all the formalities for association of the specialized agencies as per the conditions mentioned in the “ **General conditions for specialized eligible agencies**”.
3. The tenderer or associate agency shall submit the similar work experience documents in respect of experience of having satisfactory completed similar works as defined below during last seven years ending last day of the month previous to the one in which tenders are invited, issued by client department clearly indicating; 1. Name of Work, 2. Scope of Work, 3. Agreement No., 4. Estimated Cost, 5. Tendered Cost, 6. Final Value of Work Done, 7. Date of Start, 8. Stipulated date of Completion, 9. Actual date of completion, 10. Nature of the Work. (In case some of above said details are not mentioned in the Completion certificate, the firm shall attach sample proof in support of above details), self-attested copy of valid Electrical contractor license, GST registration of the proposed associated specialized agencies for verification (if required) and for approval of the department as per eligibility requirement mentioned in above **as per FORM-II within 7(Seven) days** from date of issue of Letter of Intent (LOI). Main contractor shall also be required to furnish either copy of applicable licenses/registrations or proof of applying for obtaining labour licenses, registration with EPFO, ESIC and BOCW Welfare Board of proposed associated specialized agencies along with above documents.
4. Consent letter of such selected associated specialized agencies for association shall also be enclosed in the prescribed format as per **FORM-I within 7(Seven) days** along with documents.
5. After approval of associated specialized agencies by Engineer-in-Charge, the main contractor will submit MOU signed with the Associated Specialized Agency as per **FORM-III** in shape of **affidavit on stamp paper** duly attested by notary in original **within 3 (Three) Days** after issue of approval letter (for Associate Specialized Agency). The MoU shall be signed by both the parties i.e. Main Contractor as 1st party and Associated Specialized Agency as 2nd party, independently for all specialized work(s).

6. All technical discussions during currency of contract shall be attended by the Associated Specialized Agencies and the Main Contractor. Commercial/Technical submissions for the specialized work(s) shall be signed and submitted by the Associate Specialized Agencies along with the Main Contractor.
7. The Associated Specialized Agencies and the Main Contractor shall attend the site during inspection of the work by the Engineer-in-Charge or higher authority.
8. The Main Contractor shall be entirely responsible and answerable for all the works done by his Associated Specialized Agency regarding their quality, adherence to the laid down specification, terms and conditions, warranty/guarantee etc. as per the agreement and he shall be liable to bear any compensation that may be levied by the department under any of the clauses of the agreement.
9. Experience gained by executing work on back-to-back contract basis is acceptable. Back-to-back contract means work awarded by owner to first agency and then by the first agency to the second agency. The first agency shall not be eligible for work experience in such a case. To get the weightage of experience, following conditions must be fulfilled.
 - a. Work should be actually executed by the second agency with due concurrence of the owner as tri-partite agreement. It should be backed by valid agreement and experience certificate.
 - b. Payments received by second agency should be reflected in bank accounts and income tax statements.
 - c. Owner of the project and first agency should jointly certify the experience certificate.
 - d. The actual amount of payment received by the second agency shall be considered for experience.
10. In the event of the associated E&M agency not performing satisfactorily or failure of associate agency to complete the E&M work, the main contractor on written directions of the department, shall remove the Associate agency deployed on the work and shall submit proposal for approval of New associate agency without any loss of time or variation in cost to the department after completion of all formalities mentioned as above. Such New associate agency shall also give an undertaking along with the main tenderer that both of them shall guarantee for the equipment already supplied for which payment has been released by the department in part. If any equipment supplied for the work, during the currency of the earlier associate agency and paid partly by the department, becomes redundant /not in a position to be installed and commissioned and put to beneficial use due to change in agency for execution of E&M work, the main contractor shall be responsible for replacement of the equipment(s) at no cost to the department. If Main Contractor wants to change the Associated Specialized Agency during the currency of the contract he shall submit name of new Associated Specialized Agency as per eligibility criteria mentioned in the NIT to execute the left over specialized work(s) after completion of all formalities mentioned as above.
11. No change of associate agency will be allowed without prior approval of the Engineer-in-charge of the work.
12. The main contractor shall be responsible and liable for proper and complete execution of the Electrical work and ensure coordination and completion of both civil and electrical work.
13. Running payment for the work shall be made to the Main Contractor. In case, Main Contractor fails to make the payment to the Associated Specialized Agency(s) by him within 12 Months of receipt of each running account payment then on the written complaint of any Associated Specialized Agency(s) for such work, Engineer-in-Charge shall serve the show cause notice to Main Contractor and after considering the reply of the same he may make the payment directly to the concerned Associated Specialized Agency(s) for the work as per the terms & conditions of the agreement/MoU drawn between Main Contractor and Associated Specialized Agency(s) fixed by him, if reply of main contractor either not received or found

unsatisfactory. Such payment made to the Associated Specialized Agency(s) shall be recovered by Engineer-in-Charge from the next RA/final bill due to Main Contractor as the case may be.

14. The associate contractor shall attend the inspection of the work by the Engineer-in-charge of E&M works as and when required.

Eligibility criteria for execution of work:

Sl.No.	Description of E&M works	Estimated cost in lacs	Minimum eligibility Criteria
1.	Maintenance of Fire Fighting System.	Rs. 19.13 Lacs	Three similar works each costing not less than 7.82 Lacs, OR Two similar works each costing not less than 11.73 Lacs, OR One similar work each costing not less than 15.64 Lacs, Similar work shall mean “Maintenance of Fire Fighting System”

Note:

The value of executed works shall be brought to current costing level by enhancing the actual value of work at simple rate of 7% per annum calculated up to previous day date of completion to last date of submission of tender.

The main contractor has to furnish the detail of the associate agency as per the performa mentioned above.

If the main contractor fails to associate agency for execution of minor components of work within 30 days of award of work OR at least two months before start of minor component of work whichever is earlier or furnishes incomplete details or furnishes details of ineligible agencies even after the tenderer is given due opportunity, the entire scope of such component of work shall be withdrawn from the tender and the same shall be got executed by the Engineer-in-Charge at the risk and cost of the main contractor after due approval by NIT accepting authority.

Normally, there shall be no change in associated contractor for minor component work during the execution of the work. If at all, a change is necessitated, the same should be acceptable to the department and such acceptable contractor shall fulfil the conditions laid down for the selection of the associated contractor in the tender document.

In the event of the concerned associate not performing satisfactory or not completing the work, the department can also direct the main contractor to remove the associate agency deployed on the work and ask him to deploy another associate contractor who fulfils the eligibility conditions. The New associate contractor will be bound to execute the left-over work without any loss of time or variation in cost to the department. Such associate agency shall be permitted after the approval of the Engineer in Charge and shall enter into a memorandum of understanding as per the enclosed proforma along with the main contractor.

The main agency will be responsible for all acts of omission and commission of the associate contractors including the changed one(s) as referred above.

The main contractor shall be responsible for co-ordinating the activities of all the works and will ensure progress of all works as per the laid down programme. The main contractor shall also arrange for proper storage of the accessories at site and will be responsible for their watch ward. The Associated Electrical Contractor or his representative is bound to sign the site order book as and when required by the Engineer-in-charge and will comply with the remarks therein.

The work completion certificate for E&M works shall be issued in favour of the associated E&M contractor engaged for the particular subhead. The contractor shall have valid electrical license from competent authority in his name or he may associate appropriate contractor having valid electrical license as per NIT conditions. After obtaining concurrence of competent authority department, the main agency shall finalize one associate for execution of each electrical component of the work. The contractor shall use any of the makes as per approved makes for use in the work after obtaining the approval of the Engineer-in-charge.

For the execution of E & M component Works -

We state that M.O.U between us will be treated as an agreement and has legality as per Indian Contract Act (amended up to date) and the department (CPWD) can enforce all the terms and conditions of the agreement for execution of the above work. Both of us shall be responsible for the execution of work as per the agreement to the extent this MOU allows. Both the parties shall be paid consequent to the execution as per agreement to the extent this MOU permits. In case of any dispute, either of us will go for mediation by the Engineer In charge. Any of us may appeal against the mediation to the Superintending Engineer, President Estate Circle, CPWD, New Delhi-110004. His decision shall be final and binding on both of us. We have agreed as under:

- 1) The Associated Contractor will execute all E & M works in the wholesome manner as per terms and conditions of the agreement.
- 2) The Associated Contractor shall be liable for disciplinary action if he fails to discharge the action(s) and other legal action as per agreement.
- 3) All the machinery and equipment, tools and tackles required for execution of the works, as per agreement, shall be the responsibility of the Associated Contractor.
- 4) The site staff required for the E & M work shall be arranged by the Associated Contractor as per terms and conditions of the agreement.
- 5) Site order book maintained for the said work shall be signed by the main contractor as well as by the Engineer of the Associated Contractor and by Associated Contractor himself.
- 6) All the correspondence regarding execution of E & M work shall be done by the department with the Associated Contractor with a copy to the main contractor. In case of non-compliance of the provisions of agreement, the main contractor, as well as the associated contractor shall be responsible. The action under clauses 2 and 3 shall be initiated and taken against the main contractor.

PERCENTAGE RATE TENDER & CONTRACT FOR WORKS

Percentage rate tender for the work of “RMO Fire Alarm & Fire Fighting System at Rashtrapati Bhavan, New Delhi. (SH: - Operation & Comprehensive maintenance of Fire Alarm system & Fire Fighting System at different locations in Rashtrapati Bhavan).

- (i) **To be uploaded upto 15:00 Hrs. on 13/08/2026 at <https://etender.cpwd.gov.in>**
- (ii) **Eligibility bid to be opened in presence of tenderers who may be present at 15:30 Hrs. on 13/08/2026 in the office of Executive Engineer (E), President Estate Electrical Division, CPWD, New Delhi-110004.**

TENDER

I/We have read and examined the notice inviting tender, schedule, A, B, C, D, E & F, Specifications applicable, Drawings & Designs, General Rules and Directions, Conditions of Contract, clauses of contract, Special conditions, Schedule of Rate & other documents and Rules referred to in the conditions of contract and all other contents in the tender document for the work.

I/We hereby tender for the execution of the work specified for the President of India within the time specified in Schedule ‘F’, viz., schedule of quantities and in accordance in all respects with the specifications, designs, drawings and instructions in writing referred to in Rule-1 of General Rules and Directions and in clause 11 of the Conditions of contract and with such materials as are provided for, by, and in respects in accordance with, such conditions so far as applicable.

We agree to keep the tender open for Seventy-Five (75) days from the due date of opening of eligibility bid and not to make any modification in terms & conditions.

I/We have deposited EMD for the prescribed amount in the office of concerned Executive Engineer as per the bid document. A copy of earnest money deposit receipt of prescribed amount deposited in the form of Insurance Surety Bonds, Account Payee Demand Draft, Fixed Deposit Receipt, Banker's Cheque or Bank Guarantee (as prescribed) issued by a Commercial Bank, is scanned and uploaded (strike out as the case may be). If I/We, fail to furnish the prescribed performance guarantee within prescribed period. I/We agree that the said President of India or his successors, in office shall without prejudice to any other right or remedy, be at liberty to forfeit the said earnest money absolutely. Further, if I/We fail to commence work as specified, I/We agree that President of India or the successors in office shall without prejudice to any other right or remedy Available in law, be at liberty to forfeit the performance guarantee absolutely. The said performance guarantee shall be a guarantee to execute all the works referred to in the tender documents upon terms and conditions contained or referred to those in excess of that limit at the rates to be determined in accordance with the provision contained in Clause 12.2 and 12.3 of the tender form.

Further, if I/We fail to commence work as specified, I/We agree that President of India or the successors in office shall without prejudice to any other right or remedy Available in law, be at liberty to forfeit the said performance guarantee absolutely. The said Performance Guarantee shall be a guarantee to execute all the works referred to in the tender documents upon the terms and conditions contained or referred to those in excess of that limit at the rates to be determined in accordance with the provision contained in relevant Clause of the tender form.

Further, I/We agree that in case of forfeiture of performance guarantee or EMD as aforesaid I/We shall be debarred for participation in the retendering process of the work.

I/We undertake and confirm that eligible similar work(s) has/have not been got executed through another contractor on back to back basis. Further that, if such a violation comes to the notice of Department, then I/we shall be debarred for tendering in CPWD in future forever. Also, if such a violation comes to the notice of Department before start of work, the Engineer-in- Charge shall be free to forfeit entire amount of Performance Guarantee.

I/We hereby declare that I/We shall treat the tender documents drawings and other records connected with the work as secret/confidential documents and shall not communicate information/ derived there from to any person other than a person to whom I/We, am/are authorized to communicate the same or use the information in any manner prejudicial to the safety of the state.

Rashtrapati Bhavan, New Delhi.**

GENERAL TERMS AND CONDITIONS

Name of Work: - RMO Fire Alarm & Fire Fighting System at Rashtrapati Bhavan, New Delhi. (SH: - Operation & Comprehensive maintenance of Fire Alarm system & Fire Fighting System at different locations in Rashtrapati Bhavan).

1. Before award of work, contractor is bound to submit the following details of workers proposed to be engaged by him along with PG, failing which the tender may be cancelled and the agency will not be allowed to re-participate for the above work. It is to be noted that PG will not be accepted without the following details: -

S.No.	Name of worker/ Employee	Category	Address	Qualification & Experience in case of skilled Worker	Adhar Card No. (Photo copy to be enclosed)	Workers/Employee Bank Details i.e. A/c No., Bank & Branch (Copy of Cancelled Cheque/ photocopy of passbook to be enclosed)

2. The contractor is instructed to submit the verification form for the labour to be deployed by him during course of execution of work in Rashtrapati Bhawan. The verification form can be obtained from the O/o DCP/Sec (RB) and / or concerned JE (E). No labour will be changed without written approval of Engineer-in-charge. If any changes have been done without written approval, then no payment will be released for the changed labour.
3. The work shall be carried out at Rashtrapati Bhawan, New Delhi, the contractor is advised to quote his rates accordingly.
4. Contractor is advised to visit the site & check and go through all equipment's mentioned in Schedule of Work / Inventory / Terms & Conditions and also confirm the prevailing market rates before quoting the tender. Nothing shall be paid by Department on account of repairing / replacement of faulty & non working switch gear / component during the handover of site.
5. The rates quoted shall be inclusive of all Taxes and duties, nothing extra shall be paid on this Account.
6. If any item is to be different than whatever mentioned in the schedule of work it should specifically be brought out to the notice of department while quoting for the tender.
7. No T & P shall be issued by the department.
8. Staff provided for duty shall be professionally competent and experienced to handle the eventualities of electrical installations.

9. The agency should pay minimum salary per month including ESIC & EPFO in the bank account of employees only and bank statement of the same should be submitted along with bill as a proof of payment to the employee.
10. The firm shall abide Contractor Labour Regulations amended up to date and the payment to staff shall be made (as per Minimum Wages Act. as notified by the Govt. of India) through ECS upto 7th of each month. Beyond 7th of each month failing which the recovery will be made @ of 1% of monthly salary for each worker each day (Skilled / Unskilled). The payment to the contractor will be released only after giving proof to the department for the same with bill duly verified by AE/JE(E).
11. Wages shall be payable on the basis of actual number of working days in a month and all the workers will be eligible for one weekly off during the period of employment.
12. Staff shall be deployed for all days in a week of the month including Gazetted Holidays and National Holidays or any days of holiday. Substitute worker for the rest day and holidays shall be responsibility of the contractor and no extra claim in this regard will be entertained by the department. The quoted rates shall be inclusive of the cost of reliever for any staff. Hence service provider shall provide a reliever for any staff (whenever needed) and nothing extra shall be payable on this account.
13. All tradesmen shall be appropriately skilled to carry out their trade related works. In case no relevant trade job is available for a particular tradesman / worker during any working hour, his services may be utilized for assisting other tradesman/ or any other maintenance related job may be assigned as per the directions of Engineer-in-charge, No extra claim shall be entertained by the department on this account.
14. The contractor shall furnish Name & Contract Number and a valid email ID of the Firm and person, who should be contracted during general/emergency contact/complaint emergency.
15. No extra payment payable for wastage of labour.
16. Agency has to maintain the logbook & enter all complaint & work done at site and also maintain attendance register duly verified by JE / AE every day.
17. The operation work is being on contract in absence of permanent Technician, Operator & Khallasi, in case of deputing permanent employee by the department, the contract shall be terminated in between with a prior notice of 15 days to the contractor. In such case the payment shall be made pro-data for work done.
18. All the dismantled material if any received from site shall be returned to the department and deposited in the store of the JE(E), President Estate for which nothing extra shall be paid.
19. Department shall in no way be involved in any dispute of whatever kind, between the contractor and the staff engaged by him.
20. No staff shall leave his duty unless relieved by his relievers. Engineer in charge reserves the right to detain the staff for next shift if the reliever fails to turn up. The O.T.A applicable in this case shall be borne by the contractor.

21. The cleaning/comprehensive maintenance of system included in the list of Inventory shall be done in accordance with frequency of work, if not done necessary recovery shall be made from the bills of the contractor for which contractor shall be responsible. The recovery amount decided by the Engineer-in-charge shall be final and binding on the contractor and this will not be arbitrable.
22. Any loss or damage to the inventory (as per NIT) by way of theft sabotage or mal-operation of equipment, switch gears shall be made good by the contractor.
23. Staff shall wear the uniform/dress as per the instruction of Engineer-in-Charge during duty hours at Rashtrapati Bhawan. If any of the staff found without/dress then recovery shall be made @200/- each per day from the contractor's bill.
24. Site is located in sensitive and high security & VVIP area, where movement and routes are restricted. Some restrictions may be imposed by the Security Agency on the working and for movement of labour, materials etc. The movement of trucks and vehicles shall be regulated in accordance with rules and regulations as approved by competent authority. The contractor shall be bound to follow all such restrictions/instructions and nothing extra shall be payable on this account. No claim whatsoever will be entertained by the department on account of any, restrictions (including temporary suspension of work) imposed by the security agencies in execution of work.
25. There may be some restrictions on free movement of laborers at site and restriction of working hours and the agency shall consider this fact while quoting the rates and executing the work. Photo passes if any required for worker shall be responsibility of the contractor.
26. The personal deployed at site should be well behaved having good integrity and shall follow the security protocols of Rashtrapati Bhawan. The personals found misbehaved or of doubtful integrity shall be immediately removed from this site and his entry shall be banned. The contractor shall take all precautions while deploying manpower and provide suitable manpower immediately occurrence of such incidents in writing by Engineer-in-charge at his own cost.
27. The Contractor has to maintain record of all visits and inspection made by staff in a register and shall submit to Engineer-in-charge at every running account bill.
28. Log book as per standard Performa will have to be filled in by the contractor's staff. The log book shall be kept in the plant room which will be checked by the Engineer – in – charge or his authorized representative. The contractor's staff shall have to take action as per directions of Engineer – in – charge from time to time. The log book shall be supplied by the contractor free of cost as per standard Performa given by the department.
29. If any staff is on leave, the contractor shall arrange suitable substitute staff.
30. In case of absence of any staff, recovery at double of the minimum wages of that time shall be made from the contractor's bill.
31. If break down occurred due to negligence of the contractor's staff, then contractor shall have to replace / repair defective/unserviceable parts/equipment within his quoted rates. Nothing extra shall be paid by the department. If beyond reasonable delay in replacement of parts, then recovery shall be made from the bill as assessed by the Engineer in Charge.

32. No labour huts shall be allowed inside the campus of above said work. The contractor shall make his own arrangement for the stay of labour outside the campus including transportation and nothing extra shall be payable on this account.
33. The Contractor shall also be required to follow the rules & restrictions imposed on working/movement/stacking of materials by the local competent authority at all times. Nothing extra shall be payable on this account.
34. All the materials which are intended to be used in the work shall be got approved from the Engineer-in- Charge before put to work.
35. The watch and ward of the materials issued to the Contractor or installed at site shall be responsibility of the Contractor till the installations on completion are finally handed over to the Department.
36. Income Tax, GST and Labour Welfare cess will be deducted at prevailing rates from gross amount of contractor bills.
37. All the cleaning material i.e. soap, duster etc. shall be arranged by the contractor at his own cost. If cleaning of installation is found unsatisfactory at any time, a recovery of Rs. 200/- per occasion shall be made.
38. The contractor shall carryout the work at his own responsibility and risk. In case of any accident no claim shall be given to the contractor or his employee by the department.
39. The staff deputed in the work shall be contractor's liability, therefore no claim for continuous or regular employment with the department.
40. The contractor shall replace the staff, in the event of misconduct by him.
41. The department shall not provide any store accommodation for the stores brought by the contractor or issued by the department.
42. Damage to the building during execution of work shall be made good by the contractor matching with the surrounding surface, otherwise the same shall be got done at the cost of working contractor.
43. Any damage done to the existing installations by contractor's staff shall be replaced by the contractor at his own cost and risk, to the entire satisfaction of the Engineer-in- Charge.
44. The makes of material will be as per attached list of approved makes against each item of work or as per instructions of Engineer in charge.
45. Contractor shall be responsible for conduct of staff/workers deployed at site of work.
46. The execution of the job shall be done in a workman like manner to give structurally sound and neat appearance.
47. The work shall be carried out in highly security area hence labour is to be engaged as per availability of site, no claim for idle labour will be accepted.

48. The contractor shall take all precautions for safety of the workman. If any accident/mishap occur, the department shall not be responsible for the same. Consequently, any compensation payable shall be at the contractor's cost.
49. Any malba generated due to dismantling/execution shall be cleared from the site of work immediately without any extra cost failing which same shall be done by the department and suitable recovery shall be made from the bill of the contractor.
50. The entry of labour/workers and materials into the Rashtrapati Bhawan / President Estate is through temporarily working passes by Security of Rashtrapati Bhawan and DCP Traffic Police for which contractor has to submit the details as required for issue of passes. Any type of losses due to delay and non-issue of passes/permit shall not be the responsibility of department. No claim whatever due to the above aspects shall be entertained by the department.
51. Strictly no electronic gadget like microphone, mobile phone, pen drive, camera, chip, SIM or other electronic equipment is not allowed in Rashtrapati Bhawan.
52. Any misbehavior, impersonation & security breaches caused by the labour will not be tolerable at all. The contractor shall be fully responsible for such acts of omission if any legal action is initiated by the competent authority for violating the security measures.
53. The agency has to provide the warranty for repair and replacement of product for minimum 12 months.
54. After the expiry of the contract, system will be handed over back to the department's authorized representative with all systems and equipments in 100% functional condition & with complete inventory including as updated during the currency of contract, failing which recovery will be made from contractor's final bill. The decision of Engineer in charge shall be final and binding.

Assistant Engineer (E) (P)
President Estate Elect. Division
Rashtrapati Bhavan, New Delhi.

Executive Engineer (E)
President Estate Elect. Division
Rashtrapati Bhavan, New Delhi.

Special Conditions for maintenance tenders

1. All the workers should wear proper dress i.e. Light Blue Color Shirt Full Sleeve and Navy Blue Trousers along with Leather Safety Shoe. If a worker is found without proper dress then a penalty of Rs 1000/- per case will be imposed by the deptt and will be deducted from next month bill.

Executive Engineer (E)
President Estate Elect. Division
Rashtrapati Bhavan, New Delhi.

SCOPE OF WORK for FIRE ALARM SYSTEM

1. The firm shall submit an undertaking that they shall deploy licensed personal as required under IE Act & carry out work on Electrical panel and related Electrical works.
2. The contractor shall timely intimate any major defective parts (Which are not in the scope of contractor) that need replacement so that department shall arrange the same.
3. The department reserves the right to check control room and connected equipment for this completeness and performance as and when required. It will be responsibility of the contractor to keep the system clean and in order.
4. The contractor shall take all precaution as per requirement of I-E rule & regulation 1959. The contractor shall be liable to pay compensation to the staff engaged by him in such cases in the event of any accident.
5. In case of performance of work is found unsatisfactory, the Engineer-in-Charge may terminate the contract without any notice and no claim shall be allowed after the termination of contract.
6. Fire Alarm System
 - a. Fire alarm Operator 3 Nos. i.e. One no. in each shift of 8 hours (round the clock) on all days of month i/c Sundays and holidays at fire control room.
 - b. Khallasi 1 No. i.e. One no. in one shift of 8 hours on all days of month i/c Sundays and holidays.
 - c. Fire alarm Operator 1 No. i.e. One no. in general shift of 8 hours on all days of month i/c Sundays and holidays.
 - d. Fire alarm Operator 1 No. i.e. One no. in general shift of 8 hours on all days of month i/c Sundays and holidays at Cabinet Sectt. (Which is away from main pump house)
7. The Operators/ Technicians are required to be reported to the Engineer-In charge at scheduled time of his/her duty to ensure the smooth working of all the Fire Alarm System equipment or as per the instructions from Engineer in-Charge.
8. **Scope of the work for the contractor shall be as follows: -**
 - a) Cleaning and servicing of all equipment's, performing the daily/weekly/monthly/six monthly checks as per manufacturer recommendations/ CPWD specification or as per direction of engineer-in-charge.
 - b) The Control Room shall be managed round the clock by the contractor.
 - c) Remarks and observations regarding maintenance / malfunctioning of fire alarm system, main control panel, accessories recorded in the log book / conveyed through message / letter shall be attended within 24 hrs. Failing which, same shall be got rectified by the department at the risk and cost of the firm without entering into any correspondence and necessary recovery shall be made from the bill of the contractor. The necessary tool items for maintaining the system shall be arranged by the firm at their own cost and shall be kept ready at site in sufficient quantity under the scope of work for which nothing extra shall be paid.
 - d) Tool & plant required to operate, repair servicing and maintain the fire alarm system, like spanners, goti sets, screwdriver, crow bars, multi meter, blower, crimping tool, and torch hand lamp bucket, container, table, chair, almirah & other unforeseen T & P.

- e) Detection of control and power cables faults and it's jointing as per CPWD specifications.
- f) Repair of automatic fire doors i/c control wiring installed at various inside Museum-II building.
- g) All the cleaning material i.e. soap, duster, connectors, leads, cleaner etc. shall be arranged by the contractor at his own cost. If cleaning of installation is found unsatisfactory at any time, a recovery of Rs.200/- per day shall be made at least for a week i.e. 7 days. No mobilization advance shall be paid for the work, unless otherwise stipulated in tender papers for any individual works/ composite work
- h) It is duty of the operator to maintain the fire alarm panel & addressable panel to be working, regular cleaning of Manual call points, strobe, speakers, detectors & remove errors on regular basis & control the alarm system with help of operators/helper.
- i) The agency shall carry out the Mock drill once in 06 month for awareness & training purpose of residents. A report shall be prepared & submitted to department.
- j) In case of an emergency beyond duty hours, if any fault occurs, the agency will have to attend/rectify the same for which no additional payment will be made by the department.
- k) The firms must have to maintain one First Aid Kit Box with the required medicine etc., which is to be verified by the Engineer-in-Charge or his authorized representatives on a regular basis, failing which, penal recovery @ Rs 100/-per person per month will be made from bills.
- l) Petty materials such as cotton waste, complaint register, logbook, task book, brooms, etc. shall be provided by the contractor at the tendered cost. No extra payment will be made on this account.
- m) The fire operator will carry out the operation firefighting system including addressable fire alarms as per the schedule provided by the junior engineer.
- n) In the event of any accident during the operation or maintenance of the equipment leading to injuries, damage to human beings, equipment, or loss of life, the contractor shall be fully responsible for the setting claims and indemnities. In this respect, no compensation shall be made by the department.
- o) All installations shall be kept clean and safe from the risk of fire, theft, accidents, damage etc.
- p) The contractor will keep the department indemnified against all losses, damage or liability arising out of or imposed in the context of the staff employment by him.
- q) It shall be entirely the responsibility of the contractor to ensure that no unlawful act is done by his personnel while on duty. In case any theft or loss of department property takes place due to the negligence or carelessness of his personnel, the contractor will be held responsible and shall make good the same.

9. QUALIFICATION AND EXPERIENCE

Fire operator (Skilled) shall be having a valid permit/competency certificate/licence issued from the appropriate Govt Authority for working in electrical installations and having three-year experience in operation, maintenance, and troubleshooting of fire alarm system / Addressable System.

OR

ITI in Electrician/wireman trade from any institute recognized by the Govt. and having three years' experience in operation, maintenance, and troubleshooting of fire alarm system / Addressable System.

Khallasi (Unskilled) – Should have physically strong / mentally fit, minimum 8th Pass or above and having minimum Six Months experience in working in any Electrical/ Mechanical installations

10. Recovery at the following rates for the absence of staff from duty shall be made from the final bill/running bill of the contract:

- a) Operator @ Rs.2016/- per day per shift
- b) Khallasi @ Rs.1654/- per day per shift

Assistant Engineer (E) (P)
President Estate Elect. Division
Rashtrapati Bhavan, New Delhi.

Executive Engineer (E)
President Estate Elect. Division
Rashtrapati Bhavan, New Delhi.

Maintenance of Addressable Fire Alarm System

1. The firm shall submit an undertaking that they shall deploy licensed personal as required under IE Act & carry out work on Electrical panel and related Electrical works.
2. The nature of job is very highly skilled, so the contractor has to employ highly skilled technicians/engineer for fortnightly visit/ As and when required to the system who must be well experienced in the field of ***Fire alarm system***.
 - i. In case the contractor fails to maintained the system properly a recovery @ Rs. 5000/- per event or day shall be recovered from him.
 - ii. In case of non-carrying out preventive maintenance as per schedule recovery will be made from the bill of contractor @ Rs. 2000/- each per day or occasion.
3. The department reserves the right to check control room and connected equipment for this completeness and performance as and when required. It will be responsibility of the contractor to keep the system clean and in order.
4. The contractor shall take all precaution as per requirement of I-E rule & regulation 1959. The contractor shall be liable to pay compensation to the staff engaged by him in such cases in the event of any accident.
5. In case of performance of work is found unsatisfactory, the Engineer-in-Charge may terminate the contract without any notice and no claim shall be allowed after the termination of contract.
6. The technicians are required to be reported to the Engineer-In charge at scheduled time of his/her duty to ensure the smooth working of all the ***Fire Alarm System*** equipment's or as per the instructions from Engineer in-Charge.
7. **Scope of the work for the contractor shall be as follows: -**
 - a) Cleaning/overhauling and servicing of all equipment's, performing the daily/weekly/monthly/six monthly checks as per manufacturer recommendations/ CPWD specification or as per direction of engineer-in-charge.
 - b) The Control Room shall be managed round the clock by the contractor.
 - c) *In case of Fire Alarm System*, Remarks and observations regarding maintenance / malfunctioning of Fire alarm system & control panel & allied services Gas flooding system and allied accessories recorded in the log book / conveyed through message / letter shall be attended within 24 hrs.
 - d) In above system if contractors fails, same shall be got rectified by the department at the risk and cost of the firm without entering into any correspondence and necessary recovery shall be made from the bill of the contractor. The necessary consumable materials & tool items for maintaining the system shall be arranged by the firm at their own cost and shall be kept ready at site in sufficient quantity under the scope of work for which nothing extra shall be paid.

- e) *In case of Fire Alarm System*, contractor shall periodically check the complete system with standard norms or as per direction of engineer in charge to keep the system functional in all the time. If any defect detects then contractor shall repair the spare such like faulty smoke detector, heat detectors, response indicator, fault isolators, addressable control module, monitor module, manual call point, hooters, strobe lights, telephone jacks, fire fighter handset, speakers, pressure gauge, pressure switch, control cables, SMPS in Alarm panel & all allied accessories etc. if not repairable then replace with the same specification or richer than existing one and must be compatible with the existing system. During that period, it is responsibility of the contractor to arrange standby system so that system working without interruption.
- f) Programming/ reprogramming of main fire control panel strictly by authorized engineer of Notifier / OEM only.
- g) Repair of main fire control panel and repeater panel; the repair shall be carried out from authorized service center of Notifier Make only in case if the panel is not repairable the same have to convey to department in writing by the service center. However complete replacement of the panel is excluded from scope of contractor.
- h) Up gradation/updating/Bug refixing of the main control panel software/system shall be done by contractor by the authorized engineer of the OEM
- i) Tool & plant required to operate, repair servicing and maintain the fire alarm system/fire-fighting system like spanners, goti sets, screwdriver, crow bars, multi meter, blower, crimping tool, and torch hand lamp bucket, container, table, chair, almirah & other unforeseen T & P.
- j) Detection of control and power cables faults and it's jointing as per CPWD specifications.
- k) Repair of automatic fire doors i/c control wiring installed at various inside Museum-II building.
- l) All the cleaning material i.e. soap, duster, connectors, leads, cleaner, PCB plates etc. shall be arranged by the contractor at his own cost. If cleaning of installation is found unsatisfactory at any time, a recovery of Rs.200/- per day shall be made at least for a week i.e. 7days. No mobilization advance shall be paid for the work, unless otherwise stipulated in tender papers for any individual works/ composite work.
- m) The staff deployed by the bidder shall carry out rectification works wherever necessary for proper and reliable operation of the Fire Fighting installation.
- n) Repair and replacement of flow switch, air release valve, hose reels, hose drums, hose pipes, coupling, hose cabinet & associated addressable control panel & fire accessories etc.
- o) Checking of all Fire Extinguishers provided at various locations for their serviceability w.r.t leakage, thorough cleaning, due date record, safety seal check, nozzle and hose pipe, hose reel, hose cabinets lock checks to keep the entire system in ready to operate state once in a quarter period. Re-filling of the fire extinguisher as per standard norms/ due date will be cover under the comprehensive maintenance and at no extra cost paid by department.
- p) In case of an emergency hours, if any fault occurs, the agency will have to attend/rectify the same for which no additional payment will be made by the department.
- q) The firms must have to maintain one First Aid Kit Box with the required medicine etc., which is to be verified by the Engineer-in-Charge or his authorized representatives on a regular basis, failing which, penal recovery @ Rs 100/-per person per month will be made from bills.

- r) In the event of any accident during the operation or maintenance of the equipment leading to injuries, damage to human beings, equipment, or loss of life, the contractor shall be fully responsible for the setting claims and indemnities. In this respect, no compensation shall be made by the department.
- s) All installations shall be kept clean and safe from the risk of fire, theft, accidents, damage etc.
- t) The contractor will keep the department indemnified against all losses, damage or liability arising out of or imposed in the context of the staff employment by him.
- u) It shall be entirely the responsibility of the contractor to ensure that no unlawful act is done by his personnel while on duty. In case any theft or loss of department property takes place due to the negligence or carelessness of his personnel, the contractor will be held responsible and shall make good the same.

SCOPE OF WORK For Fire Fighting System

1. The firm shall submit an undertaking that they shall deploy licensed personal as required under IE Act & carry out work on Electrical panel and related Electrical works.
2. The contractor shall timely intimate any major defective parts (Which are not in the scope of contractor) that need replacement so that department shall arrange the same.
3. The department reserves the right to check control room and connected equipment for this completeness and performance as and when required. It will be responsibility of the contractor to keep the system clean and in order.
4. The contractor shall take all precaution as per requirement of I-E rule & regulation 1959. The contractor shall be liable to pay compensation to the staff engaged by him in such cases in the event of any accident.
5. In case of performance of work is found unsatisfactory, the Engineer-in-Charge may terminate the contract without any notice and no claim shall be allowed after the termination of contract.
6. **Fire Fighting System**
 - a. Engineer 1 No. weekly and as and when required for 1 day
 - b. Fire Pump Operator 3 Nos. i.e. One no. in each shift of 8 hours (round the clock) on all days of month i/c Sundays and holidays in the main fire pump room.
 - c. Khallasi 1 No. i.e. One no. in one shift of 8 hours on all days of month i/c Sundays and holidays.
7. The Operators/ Technicians are required to be reported to the Engineer-In charge at scheduled time of his/her duty to ensure the smooth working of all the Fire Alarm System equipment or as per the instructions from Engineer in-Charge.
8. **Scope of the work for the contractor shall be as follows: -**
 - i) Cleaning of all equipment's, performing the daily/weekly/monthly/six monthly checks as detailed in taking remedial action for proper maintenance.
 - ii) The Control Room shall be managed round the clock by the contractor.
 - iii) Conducting of fire drills. For making the users familiar with the system, fire drill shall be carried out in presence of Local fire service and nodal officers in charge of various parts of the building shall be involved in conducting fire drill. Operation of the system shall be demonstrated so that all users are confident of the system and aware of their duties and responsibilities during fire.
 - iv) Healthiness of system. The healthiness of the system in Automatic Mode shall be checked through weekly testing. During the weekly testing a particular block shall be taken up and all internal hydrants and adjoining yard hydrants of the same block shall be operated and checked, for automatic functioning of jockey and main electrical pump. During the subsequent week different blocks shall be selected so as to ensure that all the internal hydrants and yard hydrant of a block is checked once in three months. The details of such weekly testing shall be conducted in presence of JE (E) and AE (E) in charge to the extent feasible and shall be recorded in register along with date, timing and findings.

- v) The diesel oil for running the engine pump shall be arranged and supplied by the department at site store "free of cost" which will be filled in service tank by the staff deployed by the firm. Nothing extra shall be payable on this account.
- vi) Remarks and observations regarding maintenance / malfunctioning of wet riser, yard, Hydrant, sprinkler, firefighting pump and panels, accessories recorded in the log book / conveyed through message / letter.
- vii) Tool & plant required to operate, repair servicing and maintain the wet riser, yard hydrant, sprinkler, firefighting pump, like spanners, goti sets, screwdriver, crow bars, multi meter, blower, crimping tool, and torch hand lamp bucket, container, table, chair, almirah & other unforeseen T &P should be available at site.
- viii) Operator shall check all type of leakage in the pipe line, network of ring and other pertaining fire areas if its found to leakage then he will communicate to JE/AE at earliest.
- ix) All the cleaning material i.e. soap, duster etc. shall be arranged by the contractor at his own cost. If cleaning of installation is found unsatisfactory at any time, a recovery of Rs.200/- per day shall be made at least for a week i.e. 7days. No mobilization advance shall be paid for the work, unless otherwise stipulated in tender papers for any individual works/ composite work.

9. QUALIFICATION AND EXPERIENCE

Fire fighter cum pump operator (Skilled) shall be having a valid permit/competency certificate/licence issued from the appropriate Govt Authority and having three-year experience in operation, maintenance, and troubleshooting of Firefighting system/ fire pump operation system.

OR

ITI in Electrician/wireman trade from any institute recognized by the Govt. and having three years' experience in operation, maintenance, and troubleshooting of Firefighting system/ fire pump operation system.

Khallasi (Unskilled) – Should have Physically strong / Mentally fit, minimum 8th Pass or above and having minimum Six Months experience in working in any Electrical/ Mechanical installations

10. Recovery at the following rates for the absence of staff from duty shall be made from the final bill/running bill of the contract:

- a) Operator @ Rs.2016/- per day per shift
- b) Khallasi @ Rs.1654/- per day per shift

Assistant Engineer (E) (P)
President Estate Elect. Division

Maintenance of Fire-Fighting System

1. The firm shall submit an undertaking that they shall deploy licensed personal as required under IE Act & carry out work on Electrical panel and related Electrical works.
2. The nature of job is very highly skilled, so the contractor has to employ highly skilled technicians/engineer for fortnightly visit/ As and when required to the system who must be well experienced in the field of **Fire - Fighting system**.
 - (i) In case the contractor fail to maintained the system properly a recovery @ Rs. 5000/- per event or day shall be recovered from him.
 - (ii) In case of non-carrying out preventive maintenance as per schedule recovery will be made from the bill of contractor @ Rs. 2000/- each per day or occasion.
3. The department reserves the right to check control room and connected equipment for this completeness and performance as and when required. It will be responsibility of the contractor to keep the system clean and in order.
4. The contractor shall take all precaution as per requirement of I-E rule & regulation 1959. The contractor shall be liable to pay compensation to the staff engaged by him in such cases in the event of any accident.
5. In case of performance of work is found unsatisfactory, the Engineer-in-Charge may terminate the contract without any notice and no claim shall be allowed after the termination of contract.
6. The technicians are required to be reported to the Engineer-In charge at scheduled time of his/her duty to ensure the smooth working of all the **Fire-Fighting system** equipment's or as per the instructions from Engineer in-Charge.
7. **Scope of the work for the contractor shall be as follows: -**
 - a) Cleaning/overhauling and servicing of all equipment's, performing the daily/weekly/monthly/six monthly checks as per manufacturer recommendations/ CPWD specification or as per direction of engineer-in-charge.
 - b) The Control Room shall be managed round the clock by the contractor.

In case of Fire Fighting System & gas flooding system, Remarks and observations regarding maintenance / malfunctioning of Fire Fighting system & Panel & allied services, Gas flooding system and allied accessories recorded in the log book / conveyed through message / letter shall be attended within 24 hrs.
 - c) In above system if contractors fails, same shall be got rectified by the department at the risk and cost of the firm without entering into any correspondence and necessary recovery shall be made from the bill of the contractor. The necessary consumable materials & tool items for maintaining the system shall be arranged by the firm at their own cost and shall be kept ready at site in sufficient quantity under the scope of work for which nothing extra shall be paid.

- d) *In case of Fire Fighting System & Gas flooding system, contractor shall periodically check the complete system with standard norms or as per direction of engineer in charge to keep the system functional in all the time. If any defect detects then contractor shall repair the spare such like Gas Release Fire Alarm Control Panel , Smoke Detector (Make : Siemens) ,solenoid valve ,Pressure Gauge with low Pressure Supervisory Switch ,Electromagnetic Actuator ,Manual Actuator ,Pneumatic Actuator ,Flexible discharge hose ,Flexible actuation hose ,2 Zone Gas Release Panel With accessories ,Abort Switches ,Release Switch ,Check Valve ,Refilling of Fire extinguisher , ,sprinklers , hose reels , shut off nozzle , nozzle , hose pipe , replacement of glasses in hydrant box ,internal hydrant valve , flow switch , pressure switch , pressure gauge , strainer , air vessel and allied firefighting accessories etc. if defective part not repairable then replace with the same specification or richer than existing one and must be compatible with the existing system. During that period, it is responsibility of the contractor to arrange standby system so that system working without interruption.*
- e) *In case fire extinguishers exhausted in the situation of fire or emergency, then refilling will not cover under the scope otherwise refilling and associated accessories of fire extinguisher in case of due date, found below standard pressure, post conducting mock drills shall be carried by the contractor as per norms or as per direction of engineer in charge.*
- f) *The scope also covers the maintenance of feeder pillars, cubical panels, replacement of defective switch gears, repair of underground power cable network, control cable, excavation of existing UG Cable trenches for repair etc.in the area pertaining to Fire Fighting Installation to keep the system functional all the time .*
- g) *Repair & maintenance of Pump, motors & valves is not cover in this scope.*
- h) *Tool & plant required to operate, repair servicing and maintain the fire alarm system/fire-fighting system like spanners, goti sets, screwdriver, crow bars, multi meter, blower, crimping tool, and torch hand lamp bucket, container, table, chair, almirah & other unforeseen T & P.*
- i) *Detection of control and power cables faults and it's jointing as per CPWD specifications.*
- j) *Repair of automatic fire doors i/c control wiring installed at various inside Museum-II building.*
- k) *All the cleaning material i.e. soap, duster, connectors, leads, cleaner, PCB plates etc. shall be arranged by the contractor at his own cost. If cleaning of installation is found unsatisfactory at any time, a recovery of Rs.200/- per day shall be made at least for a week i.e. 7days. No mobilization advance shall be paid for the work, unless otherwise stipulated in tender papers for any individual works/ composite work*
- l) *The staff deployed by the bidder shall carry out rectification works wherever necessary for proper and reliable operation of the Fire Fighting installation.*
- m) *Repair and replacement of flow switch, air release valve, hose reels, hose drums, hose pipes, coupling, hose cabinet & associated addressable control panel & fire accessories etc.*
- n) *Checking of all Fire Extinguishers provided at various locations for their serviceability w.r.t leakage, thorough cleaning, due date record, safety seal check, nozzle and hose pipe, hose reel, hose cabinets lock checks to keep the entire system in ready to operate state once in a quarter period. Re- filling of the fire extinguisher as per standard norms/ due date will be cover under the comprehensive maintenance and at no extra cost paid by department.*
- o) *In case of an emergency hour, if any fault occurs, the agency will have to attend/rectify the same for which no additional payment will be made by the department.*

- p) The firms must have to maintain one First Aid Kit Box with the required medicine etc., which is to be verified by the Engineer-in-Charge or his authorized representatives on a regular basis, failing which, penal recovery @ Rs 100/-per person per month will be made from bills.
- q) In the event of any accident during the operation or maintenance of the equipment leading to injuries, damage to human beings, equipment, or loss of life, the contractor shall be fully responsible for the setting claims and indemnities. In this respect, no compensation shall be made by the department.
- r) All installations shall be kept clean and safe from the risk of fire, theft, accidents, damage etc.
- s) The contractor will keep the department indemnified against all losses, damage or liability arising out of or imposed in the context of the staff employment by him.
- t) It shall be entirely the responsibility of the contractor to ensure that no unlawful act is done by his personnel while on duty. In case any theft or loss of department property takes place due to the negligence or carelessness of his personnel, the contractor will be held responsible and shall make good the same.

MAINTENANCE JOB INVOLVED IN FIRE FIGHTING & SPRINKLERS

S. No.	Work Involved
1	Siamese connections Operational testing by arranging water from nearest available yard hydrants. External and Internal cleaning of cabinet from all sides, i/c partitions cleaning the accessories fitted inside the cabinet checking the tightness of nuts bolts change of broken glass panes, locks.
2	Yard Hydrants Fully lock open and closing of hydrant valve, applying grease inside the female coupling, polishing of gunmetal parts, replacement/adding the asbestos gland, if required checking the tightness of nuts bolts, cleaning inside and outside the hydrant box, vertical pipe, hydrant valve, replacement of broken, glass, repair and replacement of damaged lock. Testing and Checking of pressure of water.
3	Sprinkler system alarm bell To open the valve fully open. Test the bell, its nuts bolts, its tightness attending to leakage if any and close test valve of sprinkler alarm valve.
4	Sprinklers sluice valve Cleaning the sluice valve. Fully closing the valve and then fully locked open the valve in its original position. Removing the old gland packing and inserting new gland packing if required greasing, checking the tightness of nuts bolts gasket etc.
5	Internal Hydrant Polishing of gun metal parts applying grease inside the female coupling, to open and close 2 Nos. head valves (landing valves) checking the tightness of nuts bolts, if found necessary to replace internal rubber seat gasket or flange insertion, clean the dirt and dust from valve.
6	Hose Reel Unrolling, re-rolling of hose tube, to open and close the shut off nozzle, gate valve, tightening of different clamps, nuts bolts, cleaning of complete hose reel, polishing of nozzle applying grease outside adopter.
7	Branch pipe & Nozzle Taking outside the branch pipe from shaft (enclosure) cleaning Branch pipe nozzle and re-fixing it in its place.
8	RRL Hoses Taking hose outside the cabinet/shaft unrolling of fire hose, dry it in sun shade dusting it with French chalks powder, polishing of a coupling, changing of spring „O“ ring where required of female and coupling, re-rolling and putting it back in to shaft/cabinet/position
9	Cabinet and shaft Cleaning of clear glasses, cleaning and dusting off the interior of shaft/cabinet complete as well as exteriors cleaning of the risers, removing the spiders web etc. & replacement of broken glasses.
10	Air Vessel Cleaning of exterior of air vessel, draining out of accumulated water from air vessel, replacement of defective pressure gauge, maintenance, of small gate valve checking welded joint/leakage of air vessel and attending to the leakages by welding etc. as required.
11	Cut-off valves Cleaning the sluice valve chamber, (where required) by way of removing the garbage, slit from inside the chamber. Fully closing the valve and then fully open it and lock it in its original position). Removing the old gland packing, greasing, checking the tightness of nuts bolts as required.
12	Sprinklers examination and cleaning. Cleaning the dust and other foreign materials if any from overhead pipe line and sprinkler heads, applying polish as per requirement on sprinkler heads checking the pressure of pipe line.
13	Nonereturn valve To check for the leakages and to replace the gasket as required
14	Drain valve Polishing to open and close it fully, checking of leakages etc.

Annexure-H
